

**INSTRUCTIONS** . . . Save materials for **"DON'T DUMP. DONATE!"** and bring them to the Shady Grove Transfer Station between 9:00 a.m. and 3:00 p.m. on every Saturday and 1:00 p.m., and 5:00 p.m. on every Wednesday. (Closed on government holidays)

**To donate, enter the transfer station from the Shady Grove Road entrance only.**

- Tell the attendant at the transfer station scale-house that you have materials for the **"DON'T DUMP. DONATE."** Program.
- If you also have waste to dispose, tell the attendant.
- Follow the signs to the donation site and drop off donated materials.
- If you still have waste to dispose, return to the scale-house to have your vehicle reweighed before driving to the transfer station building.

**PLEASE** - If you bring waste for disposal and donations in your vehicle, be sure to put donations where they can be unloaded first.

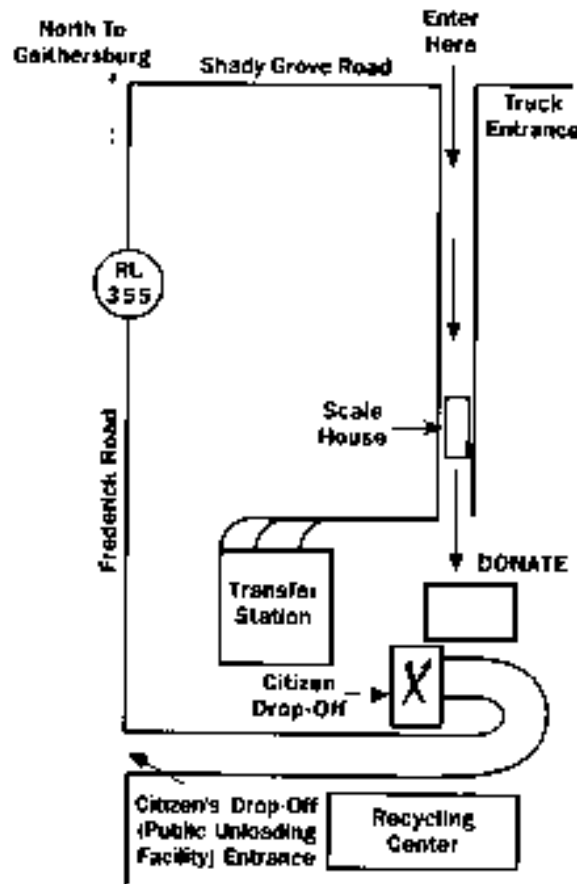

## SUGGESTIONS ...

Montgomery County welcomes comments on this and other waste reduction programs. Please send comments to:

# Don't Dump.

# DONATE!

- **Conserve Waste Management Capacity!**
  - **Help Others!**
  - **Save Money!**

## "DON'T DUMP. DONATE!"

is Montgomery County's program to collect building and construction materials for reuse. You no longer need to throw out unused or used building materials. You can give them away! The Montgomery County Department of Public Works and Transportation, Division of Solid Waste Services, in cooperation with The Loading Dock (TLD), is offering County citizens and businesses the opportunity to donate used building and construction materials as an alternative to sending them to the waste-to-energy facility. Through the **"DON'T DUMP. DONATE!"** Program, the County also gives building materials to other non-profit, charitable organizations who can prove their non-profit tax status.

## WHY USE THE "DON'T DUMP. DONATE!" PROGRAM?

- **Conserve Waste Management Capacity**

The amount of material converted from waste-to-energy can be reduced by reusing building and construction materials.

- **Help Others**

Reused building materials help provide decent, affordable, low-income housing in Montgomery County and throughout Maryland.

- **Save Money**

Avoid all tip fees and disposal costs for usable materials by donating! And all donations are tax deductible! Receipts verifying your tax deductible donation will be provided.

## EXAMPLES OF ACCEPTABLE MATERIALS:

- **BANISTERS**
- **BATHTUBS**
- **CARPETING**
- **CINDERBLOCKS**
- **COUNTERTOPS**
- **DOORS**

- **INSULATED WINDOWS**

*AND MUCH, MUCH MORE!*

## SERVING LOCAL BUSINESSES

If you are a wholesaler of building materials or any other group that has a large quantity of materials to donate, special collection arrangements may be made by calling TLD.

## REMEMBER . . .

The materials that are collected are to be reused. Therefore, the Division of Solid Waste Services reserves the right to refuse any materials deemed unfit for reuse. If you have any questions about what is acceptable, call TLD at (410) 728-DOCK in Baltimore OR call the Department of Public Works and Transportation, Division of Solid Waste Services at (301) 840-2370.

## ABOUT THE LOADING DOCK and MONTGOMERY COUNTY

The Loading Dock is a non-profit organization that gathers all types of usable building supplies and makes them available to nonprofit organizations and low income families at very low cost. Located in Baltimore, TLD serves the entire state as a clearinghouse for surplus building materials. For more information, call TLD at (410) 728-DOCK, Tuesday through Saturday during regular business hours.
